SUBMITTED BY:

Officer Skinner, Scottville Police Department.

VENUE:

210 W Broadway Street, City of Scottville, County of Mason.

DATE/TIME:

05/27/16 @ 1450 hours.

SYNOPSIS:

While patrolling the MCC High School parking lot 1, Officer Skinner was informed by Mr. Jacobs that a red Chevy pick up driven by Barrette was not allowed on school property due to his reckless driving. Mr. Jacobs asked if I seen Barrette to advise him that he will need to park off school property.

At 1450 hours I was on a traffic stop in the school parking lot when I was approached by a male subject. The male subject asked if he could ask me a question. I said "yes". He asked if it was illegal to fly his Confederate flag. I said "no". I then asked him what is your name? He replied "Travis". I advised Barrette that Mr. Jacobs does not want him driving on school grounds and will need to park on Broadway Street or at the Pizza Barn. Barrette asked

if Mr. Jacobs called the police on him. I said "no". Barrette said " I go to school here. How am I suppose to go to school? Am I suspended?" I told Barrette I did not know that information that he will need to contact Mr. Jacobs and ask him if he is suspended. Barrette stated he picks his brother up from school every day. I told Barrette he will need to park off school grounds when he picks his brother up from school. I told Barrette if he continues to drive on school property Mr. Jacobs may have No trespass papers served.

On 5/28/16 after Barrette posted comments on facebook I received two driving complaints about Barrette. Wittlieff on Broadway Street stated the red truck with the Confederate flag drives down Broadway Street everyday at a high rate of speed. Mr. Whitman on Taylor Court stated at noon during the high school lunch hour high school drivers drive off Broadway street and drive at a high rate of speed past his residence. Taylor Court is a dead end Street. Mr. Whitman stated the red Chevy pick up with the Confederate flag is one of the vehicles driving reckless.
